

## Training Managers Symposium 2015 Learning Leaders: Transforming Training

The Training Managers Symposium continues VBA efforts to standardize and synchronize training throughout the administration. During this symposium, the training managers will:

- 1) Develop a support network using local and national resources;
- 2) Determine three - six operational changes they will implement upon return to their RO;
- 3) Apply the tools and job aids available to support training in the RO to their particular requirements

<b>Monday - May 11, 2015</b>		
<b>Topic</b>	<b>Time</b>	<b>Speaker</b>
